

I am Archit Sharma, and I joined FIITJEE in VIII<sup>th</sup> Std. for NTSE Preparation, and then joined the two year programs in IX<sup>th</sup> and X<sup>th</sup> Std for IITJEE Preparation in the Smritsaa Centre.

I heard about the FIITJEE centre when I was preparing for NTSE exam. FIITJEE provided a good foundational knowledge through logical and interesting approach towards different topics which not only helped me ~~clear~~ the NTSE exam, but, also helped me in establishing a good foundation of IITJEE preparation.

The Faculty at the centre have been very helpful who motivate us towards our goal. Doubt clearance sessions are helpful towards better understanding of topic and the mock tests are very helpful in preparation of the real exam.

I would like to thank the faculty of FIITJEE & the institution itself.

Archit Sharma  
(ARCHIT SHARMA).
